

## 'Let your light shine'

**26th May 2023**

### **Summer Term Newsletter 3**

We have reached the end of the first half of summer term, which although has been short, has certainly been busy! We have had lots to celebrate, including the King's Coronation, as well as many other events including the One Big Performance at Newminster, sports outings and visits from engineers to name a few. There's lots more planned for the next half term too and we look forward to welcoming you all into school for Sports Day and Summer fair combined with the Tritlington Show. Please keep checking our diary section for more information. We'd like to wish you all a very happy half term holiday and look forward to seeing everyone again on Monday 5th June - school starts at 8.45 am.

### **CHANGE TO DATE: Sports Day and Summer Fair / Tritlington Show now 4th July**

Due to unforeseen circumstances, Sports Day and the Summer Fair combined with Tritlington Show will now be on Tuesday 4th July. A leaflet has come home tonight with more information about the Tritlington Show, how you can enter and further details of the Summer Fair will be shared after the half term break.

### **Art club Cancelled 28th June - 5th July (First Aid Training for Staff )**

All staff in school will be receiving their First Aid training on 28th June and 5th July and unfortunately the art club can not go ahead on these afternoons, we apologise for any inconvenience.

### **No Football Monday 5th June**

Please note there will be no Football with Nathan after school on this date.

### **Morpeth's One Big Performance**

On Monday 15th May the children in Year 3 and 4 attended Morpeth's One Big Performance at Newminster Middle School. It was a huge success with fourteen schools from the Morpeth Partnership and over 400 children attending. The event was held in a large marquee on the Newminster Middle School field. Each school performed to each other and joined in activities throughout the day in a massed ceilidh and choir, body percussion fun and a quiz. The Tritlington children performed with confidence, skill and enthusiasm playing the djembe drums for all to hear. They represented our school extremely well and we are very proud of you all. Many thanks to our Tritlington parents who came along to support.

*"It was fun to watch other schools and it was a chance in a lifetime to perform to all the other schools" - Oscar*

*"It was great to meet other schools and I enjoyed watching their show!" - Anais*

*"I enjoyed every part of it. It was fun and exciting! At first I felt nervous about performing but then I felt great!" - Harry*

### **Year 3 and 4 Quad Kids - Athletics at Chantry Middle School**

The children had a lovely time at the athletics competition where they had to perform 4 events: 400m run, standing long jump, howler throw and 50m sprint. The event was run by the Sports Leaders at Chantry and they did a fantastic job! Their organisational skills and the encouragement they gave to all of the children was exemplary. The Year 3 and 4s were encouraged to achieve their best personal scores which contributed to the overall team result.

Although we didn't make it to the County Finals, the children performed very well in each event and had a great time!

### After School Clubs

When we return to school after the half term break, after school clubs will continue as shown in the information below. We are excited to announce a new club will be starting on a Thursday after school. "Little Medics" will offer First Aid training for the children and will be run by a qualified provider. Due to the nature of the club, places are limited. If your child would like to take part, please book their place by contacting Mrs Gray on the admin email [admin@tritlington.northumberland.sch.uk](mailto:admin@tritlington.northumberland.sch.uk)

### Growing at Tritlington

We would like to thank Mr Peter Hogg, Karen and Martin Young, Mr Maloney and the Parish Council for their support and very generous donations of top soil for our raised beds on the school field. With their help we have planted a wide variety of vegetables with the children this week.
