

'Let your light shine'

26th April 2024

Summer Term Newsletter 1

Welcome to the Summer Term! We hope that you have enjoyed your family time together over the Easter break. The children have returned to school refreshed and full of enthusiasm for the final term of this academic year - it certainly is flying by!

Year 1 Phonics

We have a busy term ahead with the Year 1 pupils getting ready for their **phonics screening check** in early June. Many thanks to the year 1 parents who came to find out further information about this. Please speak to Mrs O'Dell if you could not attend the meeting to find out how you can support your child at home.

Year 4

The Year 4 children are working hard to prepare for the multiplication check. They are also looking forward to their week of exciting activities to celebrate their time at Tritlington as they prepare for the next stage of their educational journey.

SEND Rugby Sessions

Rockets Community Foundation are offering free inclusive rugby sessions. The sessions are open to all disabled and neurodivergent children and young people, their siblings, parents and carers. For further information, please see the attached flyer.

Music Lessons

If your child would like to have music lessons in September 2024, it would be best to sign them up now so they have the best chance of a space. Pupils that are already having music tuition will automatically be added to the list for lessons in September. An email went out to you on Thursday 25th April about this for your information.

Polling Day Thursday 2nd May

School will be used as a polling station on Thursday 2nd May. We are very pleased to tell you that school will remain **open** on this day. On arrival at school, **ALL children** should enter the school yard as normal through the front gate and then enter school through the side door that Class 2 uses. **Class 1** will be using the **Rainbow Room** as their classroom on polling day.
