

'Let your light shine'

3rd March 2023
Spring Term Newsletter 5

Dear Parents/Carers,

World Book Day

Pupils and staff alike dressed up as their favourite literary characters and took inspiration from their favourite books as part of our World Book Day celebrations. Highlights have included our favourite author activities, modelling costumes on the catwalk, secret readers, story workshops, Usborne book fair and a sponsored 'Ready Steady Read' to raise money for our library. The sponsored read is from Tuesday 28th February - Tuesday 7th March. We would like to say a big thank you for your support to make this such a successful event. Please send in any sponsorship forms and money before Friday 10th March.

British Science Week 10 - 19th March 2023

We will be celebrating British Science Week in school with the children with a variety of activities. The theme this year is "Connections"! Nearly all innovations in science, technology, engineering and maths are built on connections between individual scientists, research groups and institutions. If you work in any of these fields and have an hour to spare during the week, we would love to hear from you! It would be inspiring for the children to learn about what you do and how you connect with others.

Parental Consultations

The spring term parent / teacher consultations will be taking place this half term on Wednesday 21st March from 3.30pm - 5pm and Thursday 22nd March from 1.15pm - 5pm where you will be invited in to talk about your child's progress and the targets they are currently working on.

King's Coronation Celebrations

We will be celebrating the coronation of King Charles III in school with the children and our school community. Further details will follow - keep checking the school newsletter!
