

'Let your light shine'

7th October 2022

Autumn Term Newsletter 3

Dear Parents/Carers,

We have had a wonderful week in school and the children have been working very hard. There are a number of exciting events happening in school over the next two weeks which we hope you can attend. Please check the dates below for further information.

Orchard Opening

We were delighted to welcome the mayor of Morpeth, Alison Byard, to Tritlington to officially open our Royal Orchard. She was ably assisted by the youngest and eldest pupils in school. The orchard will be a great asset to our curriculum and we are looking forward to harvesting produce in the near future. We feel very lucky to have our own orchard.

We would also like to thank Tritlington Friends and local company, Sincera for their time and generosity to make our dream become a reality. Thank you to all of the Tritlington families who came along to the event, we hope you enjoyed the apple pies!

Curriculum overviews

Information about what your child is learning in school each half term is published on the school website under the "[Classes](#)" tab. Please explore our website as it is regularly updated.

Harvest Festival in School

We are holding our harvest festival in school on **Thursday 13th October**. We hope you can join us for a **2.30pm start**. We will be joined by some of the members from Hebron and St. Cuthberts church including our church friend Janice Robinson. We are asking for donations of tins and dried goods for the Wansbeck Valley Food Bank. **Donations can be sent into school anytime from Monday 10th October.**

Instrument tuition

Children in Year 2 to 4 can learn to play an instrument with tuition from one of the peripatetic music teachers from Music Partnership North. If you would like to find out more please contact them [here](#)

Scholastic Books

We love books and reading at Tritlington School and have been a supporter of Scholastic Books for some time. Tonight your child will be bringing home a Scholastic Books leaflet with a huge selection of reasonably priced books for sale over a variety of topics. If you wish to purchase any of these books please use the following link

<https://schools.scholastic.co.uk/tritlington/digital-book-club> when you place your order. This will ensure that 20% of the value of your order is added to the school account which we can use to obtain FREE books for the children!

Parent Consultations

We will be having parent consultation meetings the first week back after the half term break. Further information regarding days and times will follow.
