

'Let your light shine'

28st March 2025

Newsletter

Dear Families,

Helping our Global Neighbours

Young people today are integral to building a fairer and sustainable world for everyone. Courageous Advocacy equips them with the skills, tools, confidence and opportunity to speak up and take action on issues of injustice. The children have been learning about Courageous Advocacy in school and have decided they would like to support the charity WaterAid whose aim is to provide everyone with clean water, no matter where they are in the world. The children have decided they would like to raise funds to purchase a [rope pump](#) to help people beyond their local community and they have organised a Welly Walk, further details of this are below.

Welly Walk in Support of WaterAid

The children will bring their sponsorship forms home next week.

When? **Friday 23rd May 2025 2pm**

Where? **Tritlington School**

How? Pop on your wellies and walk with us! If you can please encourage friends and family to support WaterAid's amazing work. We will also be holding a cake sale in the afternoon so donations would be gratefully received.

Let's make a splash for clean water! Every step counts, and together, we can make a real difference.

Parents Evenings

We are looking forward to seeing you at our parental consultations next week on either Monday 31st March or Tuesday 1st April. This will be an opportunity for your child to share their books with you and to discuss their progress with their teacher. If you still need an appointment, please contact Mrs Gray on admin@tritlington.northumberland.sch.uk

Collective Worship

After the Easter break we would like to invite parents and carers to join us in collective worship at school on a Friday afternoon. This is an opportunity to celebrate the children's achievements during previous the week and when we award certificates recognising children who have let their lights shine and demonstrated one or more of our school values. Collective worship will begin at 3pm until the end of the school day at 3.15pm. We hope to see you there!

Children Visiting the Church

Reverend Elaine invited us to take some of our children to a workshop she was hosting at Hebron Church with the Bishop of Newcastle and clergy members from around the County. They were discussing ways to engage young people with the church and asked us to take some questions the children had. The questions were wide ranging and very interesting! The clergy present even said they weren't sure they knew how to answer some of the questions! We received excellent feedback from the group about our children, they were very impressed with how the children conducted themselves. Well done children for letting your light shine brightly!

Easter Service

Our school Easter service will be at Hebron Church on Wednesday 9th April at 9am. We would like to invite you to join us to celebrate what is a very important time in the Christian calendar. There will be Easter treats available to purchase after the service, kindly organised by Tritlington Friends, and coffee and refreshments

back at school if you are able to join us. Everyone is invited and we would be pleased to see you.

Mothering Sunday Shop

Tritlington friends organised a wonderful Mothering Sunday Gift Shop which took place in school today. We know Mother's Day can be a difficult time for some, so the children were encouraged to buy a gift for a special adult in their life. Thank you to Tritlington Friends for organising this and to all parents for their support.

Easter Film night

We will be having an Easter film night in school on Thursday 10th April straight after school where the children will be watching the movie Hop! Food and refreshments will be provided for the children and there will be a small charge of £6 for this event. If you would like your child to attend, please let Mrs Gray know on admin@tritlington.northumberland.sch.uk
