

'Let your light shine'

17th March 2023
Spring Term Newsletter 6

British Science Week 10 - 19th March 2023

The children have enjoyed several visits from parents and friends of school that work in jobs using Science, Technology, Engineering or Mathematics (STEM). The children were really interested and asked some excellent questions. Today, Class 2 took part in the Great Biscuit Dunking Challenge and had lots of fun!

Parental Consultations - reminder

The spring term parent / teacher consultations will be taking place next week on Monday 20th March and Tuesday 21st March from 3pm - 5pm where you will be invited in to talk about your child's progress and the targets they are currently working on. If you would like an appointment, please contact the school office by email.

Movie Night

The children had a wonderful time at Movie Night to raise funds for school. Thank you for your continued support with these events.

Easter Fair

The Easter Fair is in school next week on Thursday 23rd March and we would love to see you all - family and friends - at 2pm. You can collect your child from their classroom to take around the fair with you. If you love to bake, we would be grateful for any tasty contributions for the cake stall sale. Please bring these into school in the morning of the fair.

Raffle Tickets

There are some fantastic prizes to be won at the Easter school fair! Please return your raffle tickets to school as soon as possible. If you would like any more tickets to sell, please contact the school office.

Whole School Multi Skills Festival

We are pleased to tell you that we have had the opportunity to take all of the children from Reception to Year 4 to a Multi Skills Festival at Chantry Middle School on Friday 31st March (last day of school). This will take place during the afternoon and the children will return to school in time for the normal pick up time at 3.15pm
