

16th October 2020
Newsletter Autumn 5

Dear Parents,

Harvest

Thank you for all the harvest donations we have received so far. As we mentioned last week, due to COVID we unfortunately won't be able to invite parents to celebrate Harvest with us, but we still celebrate in school with the children.

MacMillan Coffee Morning

We always pride ourselves in making sure that we participate in the MacMillan Coffee morning and plan to continue to do so this year. The only difference will be, that we invite the children to enjoy a slice of cake and a drink of juice with the teachers serving them! If you would like your child to participate in this event to raise funds for the Macmillan charity, please send in £1 contribution in an envelope for MacMillan.

Remote Learning

In the event of a bubble closure or lockdown at school due to COVID, we have plans in place to ensure that there will be minimal disruption to your child's education. If you have not replied to our request regarding your child's access to a digital device, we will assume that they have access to such a device and that they will be able to complete the work provided by school through either Tapestry or Google Classroom.

Parental Consultations

Parental Consultations will take place on Tuesday 20th and Wednesday 21st October next week.

Hello Yellow Day

We would like to thank you again for your donations for Hello Yellow - Mental Health Awareness Day. We are delighted to announce that we raised a total of £45 to give to the charity to help young people in need today.

Music Tuition

We have been working with the County Music Service to try to ensure that the children who have requested music lessons get their preferred choice of instrument. We are finalising the details and will email the individual parents next week with further details.

Friday 23rd October - Dressing up

In previous years we have had fun Pumpkin parties in school, however this won't be possible at this time. Tritlington Friends would still like to invite the children to **dress up** by encouraging them to wear whatever they feel happiest in. During this challenging time, it is important to highlight what makes you feel happy and confident and to help celebrate the individual. We would appreciate a £1 donation and the money raised would be used to help provide resources to support mental health for the children.

Thank you for your continued support,

Mrs. K. Stephenson & Mrs. J. O'Dell
Joint Acting Headteachers
