

'Let your light shine'

28th March 2024
Spring Term 2 Newsletter 4

This has been a short, but very busy half term and the children have enjoyed some exciting activities and made some fantastic progress with their learning. We are looking forward to what next term has to offer - hopefully it will be some warm, sunny weather!

Multiskills Festival

Year 1 and 2 had a great time at a Multiskills Festival at Chantry along with other local schools. The focus of the festival was the development of agility and balance skills and the children tried a circuit of 10 activities which had been designed by the Young Sports Leaders at Chantry. Well done to all concerned with this event!

Movie Night

The children enjoyed Despicable Me 3 at movie night. There was lots of laughing and it was great to see them enjoying a chilled time with their friends.

Easter Fair in School

We would like to say a big thank you to Tritlington Friends for organising our Easter Fair. It was lovely to see so many of you there enjoying the stalls and activities. We raised a grand total of £592.70 at the Easter Fair and this money will go straight back to benefitting Tritlington Children. Many thanks to Grandparents and Parents for supporting our Easter event.

Easter Service

Our Easter Service was led in school by our church friend, Janice Robinson who had an array of props which she used to help retell the Easter story. Well done to all the children for their fantastic singing and thank you to our Year 4 children who gave the readings.

Easter Egg Competition

The entries for the decorated Easter Egg competition were amazing! A huge well done to all of the children who took part, it was extremely difficult for the judges to come to a decision for the winning entries.

Great Oaks Adventures Holiday Club

Great Oak Adventures would love you to join them for their Bushcraft and Rock Pool Holiday Clubs during the Easter holidays. If your child would like to attend, please follow the link [Great Oak Adventures](#) to book a place.

Parental Consultations

Mrs O'Dell and Mrs Stephenson will be offering parents the opportunity to talk about their child's progress at parental consultation meetings. There will be a choice of telephone call or in-person meetings available on **Wednesday 24th and Thursday 25th April from 1pm - 5pm**. Please email the school office with your preferred date / time and if you would like to receive a telephone call or meet in person, thank you.

Year 4 - Multiplication check

If your child is in Year 4 they will be completing a Times Table check in June. Mrs Stephenson will be holding an information session for parents in school on Friday 19th April at 3pm to provide further information and give some ideas how you can support your child with this. A secure knowledge of the times tables facts is essential preparation for the Year 4 children's transition to Middle School.

Year 1 - Phonics Check

The Year 1 children will be completing a statutory Phonics Check in June. Mrs O'Dell will be providing information about this for parents on Friday 26th April at 3.15pm. She will also share some useful information on how you can support your child.
