Newsletter Autumn 4

Dear Families,

Music Tuition

What a great start we have had to music lessons at Tritlington. Class 2 began their whole class violin lessons with enthusiasm and great listening skills. 1-1 music tuition has started well and our children have made us proud interacting with our specialist music teachers.

Guitar lessons will resume at the beginning of November due to staff illness. We will be in touch when this starts.

Year 4 Parents

This week you received an email regarding middle school admissions for September 2022, please make sure you have logged on to the [portal via the NCC website](#) and completed your application. If you need any support with this please do get in touch.

Harvest Festival in school - Pupils Only

We are holding our harvest festival in school on **Friday 15th October**.

We are asking for donations of tins and dried goods for the Wansbeck Valley Food Bank. Donations can be sent into school anytime from Monday 11th October.

Harvest in the Barn - All Families Invited

24th October at 11am. This is an amazing Harvest Festival that takes place in the Barn at Hebron. Imagine hay bales to sit on, live music to enjoy, local produce to taste. It really is a wonderful harvest experience and we are delighted to announce that Tritlington children have been invited to take part in storytelling in the service. We highly recommend that you come!

Parents Evenings

Parental consultations will take place Tuesday 19th October and Thursday 21st October. This year we would like to offer you the choice of a face to face or telephone consultation, next week we will send further information about this. We are looking forward to welcoming parents back into school and celebrating the children's achievements.

Morrisons - It's Good to Grow! Please register!

We are very excited to be taking part in the Morrisons It's Good to Grow Scheme which is operated via the My Morrisons app. From September for every £10 you spend in store or online, one Grow token will be generated for our school. This will enable us to collect a wide range of free gardening and growing equipment which will help us to enhance our outdoor learning at Tritlington. If you haven't already done so, we'd love you to register. More information can be found [here](#).
