

# 'Let your light shine'

9th January 2026

## Newsletter 1

Welcome back to school everyone! We are delighted to begin Spring term 2026.

A very warm welcome to our new families and children who joined Early Years in January, we are looking forward to getting to know you all.

To our learners, we look forward to a term filled with new learning, joyful experiences and exciting opportunities. Come to school with curious minds, open hearts and big smiles as you reconnect with friends and staff.

To our parents and carers, thank you for your continued support; we truly value our strong partnership and look forward to working together throughout the term ahead. As we begin this new chapter, we encourage everyone to let their light shine and set the world on fire.

## COLD WEATHER

It has been extremely cold this week and some of the children have felt cold at playtimes. As long as the weather is dry, we will be taking the children out at morning break and lunchtimes as it is important they get the fresh air. Please ensure they have a warm coat, hat, scarf etc and sensible footwear for this time of year so that they will feel comfortable outside.

## STEM AFTER SCHOOL CLUB

Tritlington Explorers will be hosting a NEW exciting after school club on Thursdays 3.15 - 4.15pm. Where curiosity becomes creation! Join Mrs Wilde to have fun while exploring science, maths, technology, engineering, problem-solving, creativity, and imagination.
