9th July 2021

Newsletter Summer 8

Dear Parents,

The summer break is almost upon us. We have some important information for the remainder of the term that we would like to share with you below.

Uniform Swap shop

We are going to hold a Uniform Swap Shop in school next week on the playground before and after school. If you have any uniform that your child has outgrown, we would be grateful if you could bring it into school. We like to do our bit to help the environment when we can and this is a small way we can help so the items of clothing don't end up in a landfill site. Thank you for your support with this.

Zoolab

On Monday this week the children had a visit from Zoolab, the UK's number one provider of ethical animal encounters. The children got up close and personal with a variety of animals shown to them by the extremely knowledgeable presenter. The theme was habitats and the children gained a wealth of new knowledge. We would like to thank our supportive parents that gave the generous donation that allowed this wonderful experience to take place.

Sports Day

The rain held off and the children had a very energetic afternoon for their sports day. Our expert PE teacher, Mrs Armstrong, from the Morpeth Sports Partnership led the children on a series of sports activities. The determination and sportsmanship was wonderful to see and everyone had a great afternoon

Annual Reports

Your child's annual report will be emailed to you today. We welcome any comments you would like to make.

Edinburgh Zoo for Year 4

The Year 4 children had an amazing day at Edinburgh Zoo. They walked around the entire site and saw everything the zoo had to offer. The new giraffe enclosure was a big success with the children and they enjoyed it when the lions' roars set the baboons going crazy! The children were a credit to their parents and to Tritlington - well done, Year 4!

Music Tuition in school

Instrument music tuition will begin again in school in September. If your child is currently having music tuition from the peripatetic tutor, please confirm by email

vanessa.gray@tritlington.northumberland.sch.uk by Wednesday 14th July whether you wish this to continue or not. If your child will be starting Year 2 in September and they would like to start music tuition, please let Mrs Gray know on the email address above. The instruments available are guitar, keyboard or violin. If your child will be having lessons, Music Partnership North is responsible for the payment for lessons from September and we will forward the necessary information to you.

Staffing changes from September

Further to the information you received last week regarding some changes to staffing in school, if you would like to contribute to Mrs Cryer's leaving present, we would be grateful if you could send in your donation by Monday 12th July.

Reverend Alyson Lamb

It was announced last week that Reverend Alyson Lamb, our school vicar and friend, who has worked with school and supported us, will be retiring soon. Her final Sunday will be 19th September when she will be leaving her appointment as vicar of Hebron and Mitford. We have really been blessed to have Alyson as part of our church school and we know that you will join us in wishing Alyson well for the future.

Milk for September 2021

If your child would like milk at snack time in the Autumn term, please send your request by email to vanessa.gray@tritlington.northumberland.sch.uk by Monday 12th July as the order will need to be sent in. Any requests received after this date will have to wait until September to be ordered and your child will be unable to receive milk from the beginning of term.

COVID

The government has recently issued guidance for schools for the start of the new academic year. We are currently liaising with the local authority to finalise our arrangements for September. We will share these with you in next week's newsletter.

Have a lovely weekend.

Mrs. K. Stephenson & Mrs. J. O'Dell

Joint Acting Headteachers
