

## 'Let your light shine'

27th June 2025

### Newsletter 4

#### Sports Day / Summer Fair / Tritlington Show - Monday 14th July

Please join us on Monday 14th July for our annual sports day which will begin at 1pm for a traditional sports day event. Following this event the winners of this year's Tritlington Show will be announced and rosettes presented by a member of Tritlington and West Chevington Parish Council. More details can be found in book bags tonight on a poster with information on categories available to enter. Then we hope that you will be able to join us for an afternoon of fun as we then enjoy our summer fair, bring a picnic blanket and join in the fun!

#### Whole school trip to the Farne Islands

We had a wonderful school trip to The Farne Islands. The children were lucky enough to see a wide range of wildlife in its natural habitat, a real highlight for everyone.

We also saw the lighthouse where Grace Darling began her famous rescue bringing her incredible story to life.

In the afternoon, we visited the Grace Darling Museum, followed by a peaceful walk to the churchyard where she is laid to rest. It was a wonderful day out, and we're really proud of all the children for their excellent behaviour and enthusiasm. A memorable experience for everyone.

#### Colour Day - Non Uniform Day

Well done to all the children who came to school dressed in the colours of the rainbow - you looked amazing! Thank you for the bottle donations for the summer fair, these are much appreciated. If you would still like to donate, it's not too late - please just send in your bottle (eg shampoo, water, bubble bath, wine, ketchup) to school next week.

#### Mrs Stephenson's Forest School

Explorers Forest School on a Wednesday after school is very popular with the children. Forest School is a child-led approach to learning. Each week, as Forest School leader, Mrs Stephenson observes which activities the children are showing interest in and provides further opportunities to develop this the following week. The children are also involved in discussion about what they would like to do. So far, we have been minibeast hunting, building dens, completing various crafts and at the end of sessions we have enjoyed a snack around the fire - special requests are taken for the next session! **We do have a few spaces available if you would like to sign up please contact the office to secure your place!**

### Girls Football Friendly

Our girls from Year 3 and 4 went to Stannington School this week to enjoy some football games with other local schools. Stannington, Cambo and Dinnington Schools were also in attendance and the girls played quite a few matches and scored some goals! It was great fun and the girls represented Tritlington School exceptionally well. **Well done to all the girls!**

### Year 3 and 4 Cornet Concert

Parents and pupils were treated to a concert led by our cornet band. Our Year 3 and 4 children have been learning how to play the cornet and had the opportunity to showcase their skills and to let their lights shine. The children loved performing and the audience were delighted by their playing.

**Well done, everyone!**

### Northumberland Cricket Board Limited

A big thank you to Callum from Northumberland Cricket Board Limited for visiting school this week and delivering fantastic coaching to our year two and three children, with year one joining in the fun too!

The children were quick to react and full of energy, taking on some brilliant drills set up by Callum as we get ready for the upcoming Font Alliance festival. Great skills, teamwork, and lots of smiles all round!

**Tritlington Explorers** - Please find below the exciting activities on offer next half term, please contact the school office if your child would like to sign up. Check out what is on offer below.

<b>Monday</b>	<b>Free Play</b> Expanding on our popular <i>Lego Club</i> with <i>arts and crafts</i> , <i>motor skills practice</i> , <i>TT Rock Stars</i> , <i>homework support</i> , and plenty of <i>free play</i> .
<b>Tuesday</b>	<b>Team Sport Skills</b> Children will build teamwork through fun sports activities, helping them learn to collaborate while having a blast.
